Policy

Payment and Fees

Tuition is automatically charged on the 1st of each month. When you are charged for tuition, you will receive an invoice for that month via email.

Tuition is due each month for as long as a student is enrolled. Tuition is non-refundable. The tuition amount is the same each month, as the total cost of lessons have been divided out into 12 equal payments. Each month's payment is not tied to the amount of lessons held in that month, but is 1/12th of the cost of tuition for the year.

A non-refundable registration fee of \$50 per family will be charged at the time of enrollment for new students, one charge per family. After that, an annual registration fee of \$50 will be charged on the first of August of each year. This covers the registration processing, studio supplies, as well as recital fees.
